RE: 2018/2019 TADD MANITOBA FORMAT

TADD Manitoba is excited to launch a new format this year to discuss with students about drinking, distracted or drugged driving alongside Manitoba Public Insurance!

Our new format this year is to hold 1-hour sessions during the lunch hour with student councils, existing TADD groups or any students willing to learn more and discuss. TADD Manitoba will bring in lunch for everyone attending, prize giveaways and tons of information that is literally life-saving! This will be an informal discussion with smaller groups (up to 20 participants).

We will be offering this opportunity on a limited basis and therefore, will be first come first served.

Those interested should contact Cindy Sienkiewicz (csienkiewicz@mbschoolboards.ca) to arrange dates and food options. Groups interested must have space available (board rooms, classrooms, etc.) during the lunch hour.

We look forward to hearing from you!

Thank you.
